Dear Curt,

Today marks a special moment in the history of the Penn State Alumni Association. I am excited and humbled to share that the Penn State Alumni Association's affiliate groups have raised over \$10 million for student scholarships. Another great example of the power of the Penn State network.

We could not have met this goal without you. On its own, as of June 30, 2017, the Susquehanna Valley Chapter's scholarship endowment book value is currently at \$74,646.39.

As a volunteer leader, I hope you will join me in enthusiastically celebrating this milestone. Together, we are supporting students whose means may be limited but whose talent and determination are limitless. Thank you for believing in the good work of the University and for donating your passion, time and energy to this worthy cause.

For the Glory. For the Future. For the Students.

We are.... Powered by Pride!

For the Glory,

Paul J. Clifford
